ABOUT ME

A polite student with a sense of professionalism who has a wealth of experience working with clients in a range of settings. A dedicated team member who enjoys working on projects with others and exchanging ideas in a collaborative setting, as well as being well-organized and capable of handling things on their own. Demonstrates crucial leadership abilities and time management, demonstrating that the person takes deadlines seriously and plans their time to ensure that team projects are finished on time or earlier. Listens well, appreciates picking up new abilities, driven to keep learning, excellent communicator, capable of doing effectively under pressure, and aware of the value of teamwork. Applies a responsible, mature attitude to all tasks and endeavors.
